

## Kinderley Community Primary School Outbreak Management Plan

5.9.21

Testing of staff, children and families  All staff to continue/resume Lateral Flow Testing. Staff and children in contact with positive case(s) requested to take a PCR test and test more frequently as directed by PHE.  Re-introduction of class bubbles to reduce mixing between groups  Hygiene  Staggered start/finish times.  Year group assemblies. Playtimes separate from other bubbles.  Eating in year group bubbles.  Hygiene  Reinforce good hand hygiene (frequent hand washing and use of hand sanitiser) and good respiratory hygiene (catch it, bin it, kill it).  Reinforce cleaning routines with a particular focus on frequently touched surfaces.  Ventilation  Reinforce the need for good ventilation. Ensure that rooms are comfortable to work in and staff and children are dressed appropriately. Maximise the use of the outdoors for learning.  Social Distancing  Reintroduce social distancing throughout the school for all staff.  Reintroduce limits on the number of adults who can meet together in one room.  Face Coverings  Staff to wear face coverings when arriving/leaving school, when opening the door to children/parents, in meetings with parents, in meetings with staff, when walking around the school, when getting lunch, in the hall.  All visitors, including parents, to the building will be required to wear face coverings and have a negative LFT result. All visitors to the site, including parents, will be requested to wear a face covering.  Shielding  Follow any National/LA guidance with regards to staff and children who may need to shield  Meetings  Return to online rather than in person meetings if possible. When not possible, meetings to be held outside or socially distanced.	Additional Protective Measure:	Action we will take to implement:
requested to take a PCR test and test more frequently as directed by PHE.  Re-introduction of class bubbles to reduce mixing between groups  Hygiene  Reinforce good hand hygiene (frequent hand washing and use of hand sanitiser) and good respiratory hyqiene (catch it, bin it, kill it).
