Remembrance

On 11th November, we were delighted to welcome Tim Cryar into school to talk to the children about his time in the navy and help us think about Remembrance and what it means for people who are in the armed services, are veterans or their friends and families. The children then went to the War Memorial in Lowick to take part in the service led by Rev Alex. The children had brought their own prayers to read out as well as their decorated poppies which we left at the memorial along with a selection of our prayers. The children were excellent throughout including the 2 minute silence, despite the light rain. We enjoyed our poppy shaped biscuits when we got back to school afterwards.

In PE the children are enjoying learning hockey skills and our year 5s will be joining with other local schools to take part in a hockey festival in a few weeks. We are also pleased that through our AIn Alliance of schools that our children have been invited to additional joint sporting activities over the year including years 1 and 2 multi skills festival and years 3 and 4 cricket festival.

World Kindness Day

On Thursday we took part in World Kindness Day with a live assembly. The children have been thinking about how we can spread kindness around - being kind to ourselves, others and the planet!
